MANIFESTING | PURPOSE COACH  
CONFLICT RESOLUTION EXPERT

## about

Sara Daves is an intuitive purpose coach, conflict resolution expert, and author of *Manifest Like a Goddess*. She helps those who feel lost discover their true purpose, heal their inner wounds and co-create the life that is meant for them. For more than two decades, she learned about manifesting, the hard way. By making lots (and lots) of mistakes, she learned how to bring joy back into her life by shifting her focus from a place of lack to one of abundant possibilities. Sara learned how to consciously manifest a life of purpose, joy, peace, love, and connection. Her purpose is to do her part by anchoring the consciousness of Oneness, with every action, choice, and energetic exchange. Sara empowers others to manifest the life they were meant to live. Sara offers individual coaching, group coaching programs, and retreats to awaken the divine feminine within. *Manifest Like a Goddess* hit #1 in two categories: Women's Spirituality and New Age Goddesses.

## my "why"

You've surely heard the saying, "If you want something done, you have to do it yourself." While this is true on some level, this belief ignores the fundamental component to conscious manifesting: co-creation. Conscious manifesting requires the use of both masculine and feminine energy, however, society has devalued the feminine for centuries. As a result, we've lost access to half our manifesting power. This book is for those who already know how to use their masculine energy to make stuff happen and wish to understand the powerful energy of the feminine that can help you co-create with the universe.
